ROUTINE NOTES.

The dispensaries at Basavanguda and Malleswaram were established before the extensions were included within the municipal limits of Bangalore city. The District Board of Bangalore declined to meet 2/3rds of the cost of the maintenance of these dispensaries, on the ground that eventually the extensions would be included in the Municipality and on the ground that they had been contributing liberally towards the maintenance of the Lalbagh dispensary.

The Govt ordered that as special cases their cost of these dispensaries may be debited to State funds.

The old files on the subject have been rearranged & will be traced and put up if absolutely necessary
